Find out what's baffling the medical community. Discover why hospitals and universities around the world are investing time and money in an attempt to explain these healings... and how you too, can **master this extraordinary work!**

Internationally recognized healer Eric Pearl has appeared on countless television programs in the US and around the world, spoken by invitation at the **United Nations**, presented to a full house at **Madison Square Garden**, been interviewed in various publications including *The New York Times* and is most recently featured in the new film *The Living Matrix*.

As a doctor, Eric ran a highly successful chiropractic practice for 12 years until one day when patients began reporting that they felt his hands on them – even though he hadn't physically touched them. Patients soon reported receiving miraculous healings from cancers, AIDS-related diseases, epilepsy, chronic fatigue syndrome, multiple sclerosis, rheumatoid and osteoarthritis, birth disfigurements, cerebral palsy and other serious afflictions. All this occurred when Eric simply held his hands near them – and to this day, it continues.

Documented in six books including his international bestseller, *The Reconnection: Heal Others, Heal Yourself* (soon to be published in over 36 languages!), this new level of healing has now been taught to over 70,000 practitioners in more than 70 countries!

Doug De Vito (BS ChE, MBA, Procter & Gamble, AT&T, Walt Disney, Deloitte) will discuss the remarkable story of how this new level of healing was discovered, along with the current research that substantiates it. Doug was the first person selected and trained by Eric Pearl to teach this work.

Learn how to **completely transcend "energy healing" and "technique"** and **access a level of healing beyond anything anyone has been able to access prior to now!**

This is NEW! This is DIFFERENT! This is REAL!
